Facials & Peels

Express facial - 35min **\$65**

A quick pick me up or work out for your skin, using the correct products for the skin. A great facial to keep you on the right track with your skincare regime.

Deep cleanse facial + extractions - 45min **\$75**

Deluxe facial - 1 hour **\$95**

A classic deluxe facial to ensure the correct products are being used at home. This facial includes an indulgent facial massage for the skin that needs a little TLC. This facial includes: Double cleanse, exfoliation, indulgent facial massage, treatment mask, serum, eye cream and moisturiser.

Vit C facial - 1 hour **\$95**

Skin renewal peel/Lactic Peel - 30min **\$75**

Lactic peels are suitable for all skin types and first timers. They improve the skin tone, refines the appearance of fine lines, control acne, increases cell turnover and hydrates. An excellent peel to prepare for summer or to brighten winter skin and create a smooth texture

Vitamin C infusion peel **\$75**

Vitamin C is a powerful antioxidant that preserves skin cells and boosts collagen production. This peel brightens and revitalises skin with vitamin C, lactic acid and many plant extracts. This peel is great for sun damaged skin, ageing pigmented skin, dull skin and stressed skin. A course of three peels in nine weeks is recommended and can be performed all year round.

Skin rejuvenation facial - 1 hr 15 min **\$110**

An indulgent, result based, deep exfoliating and revitalizing skin treatment that includes a relaxing facial massage. Using a combination of Lactic Acid and Australian Native Plant Extracts to intensively hydrate the skin, fade pigmentation, reduce the appearance of fine lines, control acne, and create smooth texture. This treatment includes: Double cleanse, AHA/BHA peel, exfoliation, relaxing facial massage, treatment mask, serum, eye cream and moisturizer.

Microhydrabrasion..... **\$95**

Microhydrabrasion is a wet and dry exfoliation of the skin using a small diamond tip attached to a mild vacuum. The skin is cleansed and gently exfoliated with the diamond tip to remove dead skin, product buildup and any blockages in the pores. The second phase of the treatment is performed to wash out any build up in the skin.
